

## Lucy's House Rules

There are certain house goals and boundaries that all children will be taught and expected to follow. This is for the safety and Well-being of everyone. I realise that these may not necessarily be the same for your home but ask you to respect and support my rules.

- take off our shoes indoors
- ask first
- consider other people's feelings
- respect people for who they are
- remember name calling is very hurtful
- listen carefully
- sit down with drinks and snacks
- tidy up before we get something else out
- be polite and remember our manners
- tell Lucy if we're not happy
- no one hits or bites or kicks anyone here
- always tell the truth
- say sorry if we hurt someone
- always walk in the house
- be careful with the furniture
- HAVE FUN!!!!
